

Consumer Handbook

Southeast Florida
BEHAVIORAL HEALTH NETWORK

Circuits 15 & 19
Southeast Florida
Behavioral Health Network
Fiscal Year 2021-2022

Overview

Southeast Florida Behavioral Health Network is pleased to provide our 2021-2022 Consumer Handbook for persons eligible to receive substance abuse and/or mental health services in Palm Beach County (Circuit 15), the Treasure Coast and Okeechobee (Circuit 19). We trust this handbook will provide you with useful information as you seek services through our network of community provider organizations.

Our mission is to develop, support and manage an integrated network of behavioral health services to promote the emotional well-being and drug-free living of children and adults in Indian River, Martin, Okeechobee, Palm Beach and Saint Lucie Counties.

Our vision is a seamless, accessible, recovery-oriented system of behavioral health care, driven by consumers, providers and other stakeholders, in which innovation and collaboration are the norm and diversified financial resources comfortably support an array of prevention and treatment practices, leading to excellent outcomes for individuals served, providers, and the community.

SEFBHN ensures quality services and best practices are provided to consumers and families who are eligible to receive SAMH services throughout its network of providers. SEFBHN network providers employ the principles of recovery. Services must be provided regardless of race, religion, color, national origin, age, sex or sexual orientation.

This manual will provide you with general information only. Should you need assistance and/or have questions related to substance abuse or mental health services managed by SEFBHN, please call 561-203-2485.

The Recovery

Oriented System of Care (ROSC)

The Florida Department of Children and Families (DCF) is committed to transforming its substance use and mental health system into a recovery-oriented system of care.

ROSC is a network of clinical and nonclinical services and supports that sustain long-term, community-based recovery, where recovery is expected and achieved through meaningful partnerships and shared decision making with individuals, communities and systems.

Top 5 Priorities for ROSC Delivery:

1. Collaborative service relationships
2. Cross-system partnerships
3. Community integration
4. Community health and wellness
5. Peer-based recovery support

Network Services:

Crisis Support

There are 2 agencies offering Mobile Response Team (MRT) services in the Southeast Region. The MRT's offer assessment of crisis situations, referral and linkage to community resources, support in difficult/stressful times, information about services and resources in the community, and education about mental illness to those in need. These services are free and offered 24/7 to people of all ages. All teams are mobile - they can go to you. They can come to your home, go to schools, or wherever the crisis is happening.

The goal of MRT is to prevent any unnecessary psychiatric hospitalizations. There are teams in the following areas:

South County Mental Health Inc. (Palm Beach)

- **Address:** 16158 S. Military Trail, Delray Beach, FL 33484
