

FDLE Level II Background Screening: ORI and OCA

The ORI for SAMH is: **EDCFMH20Z**.

Set up an account in the clearing house to request your agency's own OCA number for background screening.

The OCA serves as the agency's unique identifier. To request access to the clearinghouse, please do the following:

Send an email to following DCF
address: HQW.BGS.BackgroundScreening@myflfamilies.com

In that email, request access to the Clearinghouse and request an OCA request form. The "help desk" will respond with instructions and the forms which need to be completed and sent back.
