

PATH Enrollment Checklist

Enrollment: PATH enrollment implies that there is the intent to provide services for an individual other than those provided in the outreach setting. The term enrolled means that there is a mutual intent for the services to begin. PATH enrollment is when:

- 1) The individual has been determined to be PATH eligible,
- 2) The individual and the PATH Provider have reached a point of engagement where there is a mutual agreement that services will be provided, and
- 3) The PATH Provider has started an individual file or record for the individual that includes, at a minimum:
 - a. Basic demographic information needed for reporting,
 - b. Documentation by the Provider of the determination of PATH eligibility,
 - c. Documentation by the Provider of the mutual agreement for the provision of services,
 - d. Documentation of services provided, and
 - e. Service plan if the PATH enrollee is receiving case management services.
